Samsung Tablet drawing!

The TV we gave away in March was such a hit, we decided to do another drawing. This time for a Samsung Tablet!

To be entered into the drawing, finance a new or used vehicle, get a home equity loan or transfer a Visa card balance to our low rate Visa Card. Financed elsewhere? Refinance it

with us.

For each loan of \$5,000 or more, you will be entered into the drawing for the Samsung Tablet held on June 17th!

What are you waiting for? Your credit union has great rates, Loyalty Rewards to lower your rate and a chance for a Samsung Tablet. Call us today!

Prepaid Debit Cards!

Are you looking for a way to purchase on the internet or other online transactions? Sending a child to college and need to set a pre-funded limit? Sending money home each month and need a more secure and cost effective way to send it?

Try our Visa Prepaid Debit Card! You can't spend more than you've put on it which means no overdraft fees. Add money to it by going online from your credit union account without the Prepaid Card being linked to your account, providing more security to your credit union account.

Track your spending online and if lost or stolen, your risk is limited to only the funds on the Prepaid Card. And as always, it's accepted everywhere Visa is accepted.

A Visa Prepaid Card can be a convenient and secure way to handle your financial needs. Give us a call today!

All Family Members Can join Too

Your membership in the credit union allows us to extend the credit union advantage to your family. Grandparents, parents, siblings, children, aunts, uncles, even cousins are all available to join the credit union because you are a member.

What better place to teach a child to save than a credit union that doesn't charge fees for low balance accounts or a trusted place to borrow when a need arises?

Why not share the benefits that you receive from your credit union with your family members? Then they can experience the credit union benefit for themselves!
