Celebrating 79 years of member service!!!

Visa Travel Memo

A reminder to our members who plan on using their New Century Visa card when traveling. Let us know so we can place a Travel Memo on your Visa account.

This lets Visa and our fraud protection company know you will be making purchases outside of your normal spending habits.

Our fraud protection company, Falcon, may still call you to verify purchases, even with the Travel Memo as a precaution.

If you plan to travel outside the US, please be sure to let us know so your international purchases will be allowed.
