A Fresh New Look

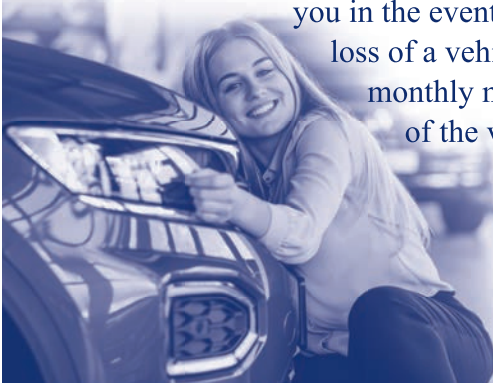

2021 brings a lot of new changes that New Century Federal Credit Union is excited to announce and share with our members. The first change that has been put into place is that the Credit Union has launched a new, modernized website as of March 24th, 2021. Please take the time to go out and visit www.newcenturyfcu.org and check out the new look for the website. If you need help navigating around, please call the credit union and one of our friendly staff will help guide you to where you need to go.

Spring into Savings

Are you looking for a new car? Would refinancing possibly get you a better rate? **New Century FCU has rates as low as 1.74% APR.** Hurry in to take advantage of these competitive rates starting April 1st - May 31st.

Visit www.newcenturyfcu.org to apply or stop by one of our offices to pick up an application and apply today. Along with a great rate, don't forget that the credit union offers Guaranteed Asset Protection (GAP) insurance as well as Mechanical Repair Coverage (MRC). These services can help you in the event of a total loss of a vehicle or your monthly maintenance of the vehicle.

Illinois License Plate Stickers

Avoid those long pesky lines at the DMV facilities and stop into New Century to get your license plate sticker renewed. **Sticker fees are \$4.00.** Remember to make sure to bring your registration information with you.

Don't waste unnecessary time in your day by standing in long lines with other random strangers. Come in and see your friendly credit union staff and we'll get you back on the road in no time.
