National Credit Union Youth Month

Every April, Credit Unions celebrate National Credit Union Youth Month. This is a time each year in which credit unions teach and encourage kids to develop strong financial habits. This year's theme is **"Unleash the Power of Saving."** New Century FCU encourages all its adult members to bring in their children/grandkids during this month to start them on the path to success. During the month of April, if a youth account (age 17 and younger) is opened, New Century will match the \$25 deposit to establish the savings¹. For every deposit made by a youth during April that is \$10 or greater, the individual will have the opportunity to be entered into a drawing for a prize. Maximum of 10 entries per youth. See our website for further details.

¹ Account must remain open for 90 days. If the account is closed within 90 days, the \$25 gift of membership will be forfeited.

Let Your Money Work For You

With rates continuing to rise, New Century FCU is pleased to let our members know that we are remaining competitive as well. Come in and take advantage of our current 1-year Certificate of Deposit rate while it applies. Our current 1-year rate is **4.16% APY***. If you have a little extra money that you won't need for a year, now's the time to take advantage and lock it up and earn a great rate. Reward yourself and earn a little more interest than keeping it in a savings account.

**APY = Annual Percentage Yield.*

Please note, an early withdrawal may be applied if you withdraw before maturity date.

Member Insurance

Most of us have heard about the collapse of the big banks that took place in the news lately and this can raise questions as to is my money safe? Should I be taking it out? What are my next steps? Here at New Century FCU, we would like to take the time to remind you that your deposits are safe and that they are insured up to \$250,000 per depositor. If you as a member are ever concerned about your money, please feel free to use the NCUA's Share Insurance Estimator tool found at www.ncua.gov or feel free to contact the credit union if you would like to discuss your account.
