Members now have the capability to access a new user-friendly online banking platform. Within the online banking, members can also enroll into bill payment and sign up for Zelle[®]. Members can also enroll in Credit Sense, a tool that keeps you updated on your credit score and gives you tips on how to improve your credit score and financial health.

Members also have the ability to download our branded mobile app from the Apple Store or Google Play store as well by searching New Century FCU. Please visit www.newcenturyfcu.org for additional information associated to all of these services or feel free to call our Joliet or New Lenox office for more information.

Illinois License Plate Stickers

With DMVs still requiring appointments due to COVID-19, who wants to stand in line for possibly an hour or more. Come to the Credit Union to purchase your Illinois license plate sticker. Sticker fees are \$4.00. Remember to make sure to bring your registration information with you and if your car requires emission testing, pass that first.

Youth Month

Every April, Credit Unions celebrate **National Credit Union Youth Month**. This is a time each year in which credit unions teach and encourage kids to develop strong financial habits.

This year's theme is:

SAVE SMALL  **DREAM BIG**
at your credit union™

New Century FCU encourages all its adult members to bring in their children during this month to start them on the path to success. During the month of April, if a youth account (age 17 and younger) is opened, New Century will fund the account with \$25 to establish the savings¹. For every deposit made by a youth during April that is greater than \$10, the individual will have the opportunity to be entered into a drawing for a prize. Limit one entry per day.

¹Account must remain open for 90 days. If the account is closed within 90 days, the \$25 gift of membership will be forfeited.

Holidays

New Century FCU offices will be closed in observance of the following holidays during the 2nd quarter of 2022:

May 30th – Memorial Day

June 20th – Juneteenth (Observed)

July 4th – Independence Day
