## Christmas Club Accounts

Christmas is right around the corner. **On October 1**, funds from members Christmas club accounts will have automatically transferred over to the savings account so that way money will be available for the holidays. If you have a current Christmas club account, you can start putting money back into it for Christmas of 2021. If you don't have a Christmas club account and are looking for a good way to save money for the holidays, please give the credit union a call or stop in and we will be more than happy to set you up with one.

## Annual Meeting

It is that time of year again but only a little later than usual. New Century FCU has rescheduled the annual meeting that was supposed to take place back in March earlier this year but had to postpone due to COVID. The new date for this year's meeting is going to be **Thursday, November 5, 2020 at 6:00PM**. The meeting is going to be held online. Please call the Credit Union if you wish to attend or for more details.

## CU Kind Day

**On October 12th**, New Century FCU will be partaking in **CU Kind Day**, a statewide celebration of kindness within the credit union movement where we join the philosophy of "people helping people" by giving back to the communities. New Century will be donating gift cards for restaurants to two local charities.

## Shred Event Update

Thank you to all members who stopped by our annual shred events we held this year. We had a fantastic turnout at both events and we successfully shredded over 5,000 pounds worth of sensitive information to help prevent identity theft and fraud. Both locations collected two boxes worth of non-perishable food donations. New Century FCU will be taking all donations and delivering them to MorningStar Mission and Trinity Services, two local businesses who help those in need.
